D. …….. is as referral centre for ……………………… with the high volume of patient and multiple specialty provided it has become a training centre for undergraduate and post-graduate students.

E. The Parties are desirous of entering into this Agreement to declare their respective intentions and to establish a basis of co-operation and collaboration between the Parties;

THE PARTIES HAVE REACHED AN UNDERSTANDING as follows:

ARTICLE I
OBJECTIVE

The Parties, subject to the terms of this Agreement and the laws, rules, regulations and national policies from time to time in force in each Party’s country, will endeavour to jointly develop a close-working relationship in the research entitled “PLEASE BOLD THE TITLE OF THE STUDY” (hereinafter referred to as the “Project”) on the basis of equality and mutual benefit.

ARTICLE II
AREAS OF CO-OPERATION

Each Party will, subject to the laws, rules, regulations and national policies from time to time in force, governing the Project in their respective countries, endeavour to take necessary steps to encourage and promote co-operation as follows:

(i) Scientific Aim

This Project aims ………………………………………………………………………

(ii) Project Schedule

The period of this Project between the Parties shall commence on …….. until …………. The Parties may extend the duration of this Agreement based on the approval of the management of the Parties through Supplementary Agreement.

(iii) The Parties agree that the Project shall be non-interventional and shall not interfere, change, add or omit any aspect of patient management and responsibility for the patient (if any).

ARTICLE III
ROLE AND RESPONSIBILITIES OF PARTIES
(i) The Parties shall get approval from both side Ethics Committee before conduct this Project.

(ii) At all time under this Agreement, UKM shall provide:
(a) .................................................................
(b) .................................................................
(c) .................................................................

(iii) The Government shall provide:
(a) .................................................................
(b) .................................................................
(c) .................................................................

ARTICLE IV
FUNDING ARRANGEMENTS

The Parties shall each bear the costs of discharging their respective responsibilities, including travel and subsistence of personnel and transportation of all equipment and other items for which it is responsible. Further, the obligations of the Parties are subject to the availability of appropriated funds. Should the Party encounter budgetary problems which may affect the activities to be carried out under this Agreement, the Party shall notify and consult with the other Party as soon as possible.

ARTICLE V
OWNERSHIP OF DATA

(i) The Parties have equal right and jointly own all data and results generated hereunder and shall have the right to obtain and use the data in order to publish the results as provided in Article VIII below, for continuing academic research purposes and for the treatment and medical care.

(ii) All data and result generated hereunder shall be conveyed to UKM and centralized in UKMMC. The Parties agree not to provide the data and/or result generated hereunder to any third party without the Project Leader’s prior written notice and permission.

(iii) If after six (6) months of study completion, a research paper has not been written up and submitted to a journal by the student who involved in this Project (if any and whenever applicable), UKM will assume absolute ownership and shall have the right to submit the manuscript. The Parties shall be informed appropriately.

ARTICLE VI
OWNERSHIP OF FUNDED EQUIPMENT AND ASSETS
(i) Equipment provided by the Party pursuant to this Agreement shall remain the property of that Party. Each Party agrees to return any of the other Party’s equipment in its possession to the other Party at the conclusion of the Project.

(ii) If any Party use the other Party’s chargeable facilities or equipment, the Party who use it shall bear the cost and pay the other Party.

ARTICLE VII
PROTECTION OF INTELLECTUAL PROPERTY RIGHTS

(i) The protection of intellectual property rights shall be enforced in conformity with the respective national laws, rules and regulations of the Parties and with other international agreements signed by the government or the authorized organization in the Parties’ country.

(ii) The use of the name, logo and/or official emblem of any of the Parties as the case may be, on any publication, document and/or paper is prohibited without the prior written approval of either Party.

(iii) Notwithstanding anything in paragraph (i) above, the intellectual property rights in respect of any technological development, products and services development, carried out –

(a) jointly by the Parties or research results obtained through the joint activity effort of the Parties, shall be jointly owned by the Parties in accordance with the terms to be mutually agreed upon; and

(b) solely and separately by the Party or the research results obtained through the sole and separate effort of the Party, shall be solely owned by the Party concerned.

(iv) Nothing in this Agreement shall be construed as granting, either expressly or by implication, to the other Party any rights to, or interest in, any inventions or works of a Party or its related entities made prior to the entry into force of, or outside the scope of this Agreement, including any patents (or similar forms of protection in any country) corresponding to such inventions or any copyrights corresponding to such works.

(v) Any rights to, or interest in, any invention or work made in the performance of this Agreement solely by one Party or any of its related entities, including any patents (or similar forms of protection in any country) corresponding to such invention or any copyright corresponding to such work, shall be owned by such Party or related entity. Allocation of rights to, or interest in, such invention or work between such Party and its related entities shall be determined by applicable laws, rules, regulations, and contractual obligations.

(vi) It is not anticipated that there will be any joint inventions made in the performance of this Agreement. Nevertheless, in the event that an invention is jointly made by the Parties in the performance of this Agreement, the Parties shall, in good faith, consult and agree within 30 calendar days as to:
(a) The allocation of rights to, or interest in, such joint invention, including any patents (or similar forms of protection in any country) corresponding to such joint invention;

(b) The responsibilities, costs, and actions to be taken to establish and maintain patents (or similar forms of protection in any country) for each such joint invention; and

(c) The terms and conditions of any license or other rights to be exchanged between the Parties or granted by one Party to the other Party.

(vii) For any jointly authored work by the Parties, should the Parties decide to register the copyright in such work, they shall, in good faith, consult and agree as to the responsibilities, costs, and actions to be taken to register copyrights and maintain copyright protection (in any country).

(viii) The Parties shall have an irrevocable royalty free right to reproduce, prepare derivative works, distribute, and present publicly, and authorize others to do so on its behalf, any copyrighted work resulting from activities undertaken in the performance of this Agreement for its own purposes, regardless of whether the work was created solely by, or on behalf of, the other Party or jointly with the other Party.

ARTICLE VIII
RELEASE OF RESULTS AND PUBLICATION POLICY

(i) The Parties retain the right to release public information regarding their own activities under this Agreement. The Parties shall coordinate with each other in advance concerning releasing to the public information that relates to the other Party's responsibilities or performance under this Agreement.

(ii) The Parties acknowledge that the authorship should rest with scientist(s) most involved in designing and executing the Project, the author(s) should be able to take public responsibility for the content of the publication and defend its criticism. Contributions from person who had little to do with the intellectual content of the publication but provided other kinds of assistance, need not be rewarded with authorship. Such assistance may be acknowledged in the appropriate section of the publication.

(iii) Unpublished data drawn from other sources should be identified as such and be appropriately credited, with indication that such acknowledgment is with the consent of the person being credited. Unless the data have been updated and the conclusions modified, the same manuscript should not be published in more than one category of publication. An example, a paper published in the proceedings of a workshop should not be published as such in a journal, it may be offered to a journal if its content has changed substantially since it appearance in the workshop proceedings.

(iv) The author(s) have three main ethical responsibilities in presenting their work for publication:
(a) Truthful and complete reporting, which implies accurate and complete description of the observations made and data collected;

(b) Truthful acknowledgement of the relation of their work to that of others to allow the reader to objectively evaluate their report; and

(c) Adhere to institutional procedures for approval of the manuscript to safeguard the institution’s scientific reputation.

(v) The Parties acknowledge that for any publication arising from the Project, authorship shall be decided by the Project Leader taking into account all involved including ranking of author(s).

(vi) All manuscript or papers arising from the Project must be sent to the Project Leader and to be endorsed before submission to any publication.

ARTICLE IX
ENTRY INTO EFFECT AND DURATION

(i) The period of this Project shall commence on ............... until .................

(ii) The Project may be renewed for a another period thereafter based upon the mutual agreement of the Parties through planning subsequent activities as may be agreed in writing by the Parties.

(iii) The Parties may enter into Supplementary Agreement to any collaboration between the Parties which not been mentioned in this Agreement. Additional collaboration(s) shall be mutual agreed and such Supplementary Agreement shall be signed by the authorized representatives of the Parties.

(iv) The Parties reserve the right to terminate this Project without liability upon thirty (30) days written notice.

ARTICLE X
NO AGENCY

Nothing contained herein is to be construed so as to constitute a joint venture partnership or formal business organization of any kind between the Parties or so to constitute either Party as the agent of the other.

ARTICLE XI

**ARTICLE XII**  
**SUSPENSION**

(i) Each Party reserves the right for reasons of national security, national interest, public order or public health to suspend temporarily, either in whole or in part, the implementation of this Agreement which suspension shall take effect immediately after notification has been given to the other Party through diplomatic channels.

(ii) Neither Party to this Agreement shall be liable to the other Party for any delay in performance or non-performance due to any force majeure events. Force majeure events are events which are beyond reasonable control of the other Party, including but not limited to disaster, war, strikes and riots. The affected Party shall promptly upon the occurrence of any such event to inform the other Party in writing.
ARTICLE XIII
CONSULTATION AND SETTLEMENT OF DISPUTES

The Parties agree to consult promptly with each other on all issues involving interpretation, implementation, or performance of the Agreement. An issue concerning the interpretation, implementation, or performance of this Agreement shall first be referred to the appropriate points of contact named above for the Parties. If they are unable to come to agreement on any issue, shall be settled amicably through mutual negotiations.

ARTICLE XIV
CONFIDENTIALITY

The Parties shall undertake to observe the confidentiality of documents, information and other data received or supplied to the other Party during the period of this Agreement. The Parties agree that the provisions of this clause shall continue to be binding for a period to be agreed upon between the Parties notwithstanding termination of this Agreement.

ARTICLE XV
TIME

Time whenever mentioned shall be the essence of this Agreement.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized representatives on the day and year first stated above.
